bduusdm test online: *BDSM Communities in Central Europe* Lucie Křivánková, 2024-11-23 This book provides an analysis of the evolving BDSM scene in Central Europe, with an emphasis on selected post-communist countries. It explores how the region's communist past delayed the development of BDSM communities and public discourse compared to Western Europe. Examining themes like mediatization, criminalization, commodification, and globalization, the book traces the shift of sadomasochism from a criminalized and medicalized diagnosis to an accepted, consensual sexual practice. Focusing on issues of law, consent, and societal norms, this book investigates the growing online BDSM communities and the rising demand for paid services, including the phenomenon of financial domination. By analyzing professional BDSM practices, the book addresses how criminal law intersects with consensual sadomasochism, highlighting the complexities of distinguishing between consensual and non-consensual acts in both legal and social contexts. Using quantitative research, the book also presents data on societal attitudes toward BDSM in the Czech Republic, shedding light on the growing tolerance of consensual BDSM practices, even among university students. These findings are critical in understanding how legal frameworks and public perceptions influence the stigmatization or acceptance of BDSM within criminology. As the first comprehensive criminological study of BDSM in Central Europe, this book offers a unique perspective on the intersection of sexual practices, law, and society.

bdusdm test online: SCHUNDFAKTOR Crauss, 2019-08-02 Die Essays des Dichters Crauss sind Lyrik-, Literatur- und Filmkritik im literarischen Gewand. Als hybride Texte, Destillate und Weiterschreibungen, oft auch im Detail Erweiterungen des Gelesenen, verhandeln sie neben Poetologischem Themen aus Musik, Fotografie, Architektur und Kulturgeschichte. Wir beobachten den Autor beim intimen Gedankengespräch mit gehemmten oder wütenden Kollegen, Ikonen, Fetischen. Wir folgen ihm durch tote Orte des heimatlichen Westfalens über Gleitstufen einer globalisierten Stadtbeschleunigung in eine Textwelt, die sich nicht fürchtet, als Sekundärliteratur synästhetisch und sinnlich zu wirken. Ich zitiere: Zitate, heißt es im Buch, deshalb legen wir Ihnen Schundfaktor und seinen Autor mit Ehrenworten ans Herz, die andere bereits für Crauss gebrauchten: Der hat schöne Überschriften! (Ulrich Bergmann) Crauss versteht es, prägnante Sprachbilder zu schaffen, die lange halten. Auch, weil sie verspielt sind. (Angelo Algieri) Crauss kombiniert Provinzialität und Weltläufigkeit auf eine Weise, die der Erfahrung der Bundesrepublik auf ihrem Weg vom zerfaserten Nationalstaat zur Globalisierung entspricht. Die Stadt wird zur Haut des Dichters, zu seinem Auge. (Ulrich van Loyen) Crauss' Texte treffen mehr als eine Stimmungslage und amüsieren mit eigenem Sprachwitz, ohne einem fragwürdige Denkverrenkungen abzuverlangen. (Karolina Rakoczy) Crauss ist ein Stimmenimitator. (Peter Stirner) Crauss versteht es als einer von wenigen Autoren, Multitracking schlüssig auf Literatur zu übertragen. (Gerald Fiebig) Ein ganz reizender Mensch, aber ich wünschte mir, er würde endlich lernen, Großbuchstaben zu gebrauchen. (Anna Madrigal)

bdusdm test online: Proceedings of the 2023 2nd International Conference on Public Culture and Social Services (PCSS 2023) Youbin Chen, Shakila Yacob, Joanna Rak, Jia Li, 2023-10-27 This is an open access book. 2023 2nd International Conference on Public Culture and Social Services (PCSS 2023) was held on August 11-13, 2023 in Qingdao, China Public culture is a cultural form formed to meet the common needs of society, where everyone can participate in culture, enjoy culture, and create culture. A good public culture can not only enhance the happiness of residents, but also cultivate one's character through moral cultivation. Moreover, it can improve the charm, vitality, self-confidence and cohesion of the city, and promote the cultural exchanges between the city and the outside world. The more developed the economy is, the more powerful the country is, the more it attaches importance to the construction of Urban culture. Public culture is the basic culture of a city and has far-reaching significance in shaping Urban culture. Social services refer to activities in the fields of education, medical and health care, elderly care, childcare, housekeeping, culture, tourism, sports, and other social sectors that rely on diverse entities to provide services to meet the multi-level and diverse needs of the people. They are related to the most direct and practical interests of the general public. There is an essential difference between social services and for-profit commercial services, as they are welfare services. PCSS explores how to make society develop better and people feel happier by discussing the relationship between public culture and social services. The specific content, activities, and services provided by public culture need to be adapted to the level of social development and supply capacity, and therefore are dynamically adjusted, up-to-date, and tailored to local conditions. Public culture involves a wide range of social undertakings, including ideology, culture, news and publishing, radio and television, as well as national fitness, popular science, and mass rule of law cultural activities. Social services belong to the basic public services provided by the government, which is the most prominent feature of public culture compared to other cultural types and forms, and also the theoretical basis for forming a policy system for public cultural services. Public culture and social services interact with each other, and to a certain extent, public culture determines the type of social services, which in turn affects the development of public culture.
