i found the answer in you lyrics: The Complete Book of 1990s Broadway Musicals Dan Dietz, 2016-09-29 Musicals of the 1990s felt the impact of key developments that forever changed the landscape of Broadway. While the onslaught of British imports slowed down, the so-called Disneyfication of Broadway began, a trend that continues today. Beauty and the Beast and The Lion

King became long-running hits, followed by more family-friendly musicals. The decade was also distinguished by a new look at revivals—instead of slavishly reproducing old shows or updating them with campy values, Broadway saw a stream of fresh and sometimes provocative reinventions, including major productions of *My Fair Lady*, *Damn Yankees*, *Carousel*, *Show Boat*, and *Chicago*. In *The Complete Book of 1990s Broadway Musicals*, Dan Dietz examines in detail every musical that opened on Broadway during the 1990s. This book discusses the era's major hits (*Miss Saigon*, *Crazy for You*, *Rent*), notorious flops (*Shogun*, *Nick & Nora*, *The Red Shoes*), controversial shows (*Passion*, *The Capeman*), and musicals that closed during their pre-Broadway tryouts (*Annie 2: Miss Hannigan's Revenge*, *Whistle Down the Wind*). In addition to including every hit and flop that debuted during the decade, this book highlights revivals and personal-appearance revues with such performers as Sandra Bernhard, Michael Feinstein, Patti LuPone, Liza Minnelli, and Mandy Patinkin. Each entry contains the following information: Plot summary Cast members Names of all important personnel, including writers, composers, directors, choreographers, producers, and musical directors Opening and closing dates Number of performances Critical commentary Musical numbers and the performers who introduced the songs Production data, including information about tryouts Source material Tony awards and nominations Details about London and other foreign productions Besides separate entries for each production, the book offers numerous appendixes, including a discography, filmography, and published scripts, as well as lists of Gilbert and Sullivan operettas, black-themed shows, and Jewish-themed productions. A treasure trove of information, *The Complete Book of 1990s Broadway Musicals* provides a comprehensive view of each show. This significant resource will be of use to scholars, historians, and casual fans of one of the greatest decades in musical theatre history.

i found the answer in you lyrics: *Make it to Midnight* Jim Denning, 2018-06-25 Therefore, do not worry about tomorrow, for tomorrow will worry about itself. Each day has enough trouble of its own. (Matthew 6:34) Don't worry. Sounds so simple, doesn't it? In Matthew 6:34, Jesus is encouraging Christians to live in the present. It has been said that depression is pain from the past, and anxiety is pain from the future. In order to live a happy life, we must learn to live in the present. Learning to live this way-the way Jesus prescribes-requires a change in our thinking. In order for this to happen, an understanding of the inner working of our brains is required. The human brain is comprised of two components-a thinking brain and a feeling brain. Depression, anxiety, PTSD, and a host of other mental disorders can be traced back to a conflict between the thinking brain and the feeling brain. *Make it to Midnight* illustrates that each of us has two sides to our psyche that are often in conflict. Through his research, Jim Denning discovered that we not only have two components to our psyche, we actually have two brains. Jim's goal for this book is to explain the anatomy of that conflict and provide its readers with the tools necessary to achieve a better quality of life and, ultimately, inner peace.

Thousands of Yemeni Jews have immigrated to the newly founded Israel in search of a better life. In an overcrowded immigrant camp in Rosh Ha'ayin, Yaqub, a shy young man, happens upon Saida, a beautiful girl singing by the river. In the midst of chaos and uncertainty, they fall in love. But they weren't supposed to; Saida is married and has a child, and a married woman has no place befriending another man. 1995. Thirty-something Zohara, Saida's daughter, has been living in New York City—a city that feels much less complicated than Israel, where she grew up wishing that her skin was lighter, that her illiterate mother's Yemeni music was quieter, and that the father who always favored her was alive. She hasn't looked back since leaving home, rarely in touch with her mother or sister, Lizzie, and missing out on her nephew Yoni's childhood. But when Lizzie calls to tell her their mother has died, she gets on a plane to Israel with no return ticket. Soon Zohara finds herself on an unexpected path that leads to shocking truths about her family—including dangers that lurk for impressionable young men and secrets that force her to question everything she thought she knew about her parents, her heritage, and her own future.
