In *Therapy with a Coaching Edge*, professional practice guru Lynn Grodzki offers a new, paradigm-changing therapy model—adding the leverage and action of a coaching

approach to the wisdom and goals of psychotherapy. This book presents a set of powerful coaching strategies that have been adapted and designed specifically for therapy—to provide more reach and range for therapists and counselors while not requiring a wholesale abandonment of therapeutic principles. Using this model, therapists at all levels of experience can promote behavioral change without insisting on homework or rigid protocols. Clients can spot results in each and every therapy session. Resistance to treatment often softens and client retention improves. Grodzki gives new and veteran clinicians the skills to not only improve client outcomes, but also energize themselves as practitioners. Therapists feel empowered as they learn to ask compelling questions that generate ah-ha moments. They help clients go beyond a discussion of symptoms to explore topics of core values. They show clients how to make decisions based on both necessity and a vision of a better future. The model provides readers with just-in-time learning, to identify a skill when it is needed and then immediately apply the steps in a session. Grodzki, an expert psychotherapist and master certified coach, has proven herself to be a trusted voice for therapists through her writing and workshops; she makes the steps to using a coaching approach understandable by offering lively case examples, your turn exercises, and sample scripts to give her readers the confidence and context to move forward.
