The teacher discount medieval times is designed to offer educators a special rate on tickets to the medieval-themed dinner and tournament show. This discount reflects Medieval Times' commitment to supporting teachers and promoting educational experiences outside the classroom. By providing access at a reduced cost, the venue encourages teachers to enjoy a memorable outing that can also serve as a practical supplement to history education. The discount typically applies to individual tickets or group bookings, depending on the location and promotional period. Understanding the specifics of the discount, including the percentage off and any restrictions, helps teachers plan their visit effectively.

Discount Details and Availability

Teacher discounts at Medieval Times vary by location and time of year but generally offer savings ranging from 10% to 20% off regular ticket prices. Some venues may provide exclusive offers during back-to-school seasons or holidays to further incentivize educators. It is important to check with the specific Medieval Times castle for current discount details. Additionally, the discount might be applicable only to certain ticket types, such as general admission or premium seating, and may exclude special events or holiday shows.

Purpose of the Discount

The primary purpose of the teacher discount medieval times is to acknowledge the dedication of educators and to foster a deeper interest in history and culture. Medieval Times offers a live-action depiction of medieval life and tournaments, which can enhance a teacher's understanding and appreciation of the period. This experiential learning opportunity aligns with educational goals and encourages teachers to bring their students or families to enjoy an informative and entertaining atmosphere.

Eligibility and Verification Process

To qualify for the teacher discount medieval times, educators must meet specific eligibility criteria and provide appropriate verification. The process ensures that the discount is reserved for genuine teachers and educational professionals. Understanding the verification requirements helps streamline the booking experience and prevents issues during ticket purchase or entry.

Who Qualifies for the Discount?

Typically, the teacher discount medieval times is available to K-12 teachers, college instructors, and sometimes administrative staff employed by accredited educational institutions. Some locations may extend the discount to homeschool educators or staff members of educational organizations. It is advisable to confirm eligibility with the specific Medieval Times venue before purchasing tickets.

Required Documentation

Verification often involves presenting a valid teacher ID, current pay stub, or an official letter from the educational institution. Some venues accept digital proof through apps or online platforms like ID.me. Providing accurate and up-to-date documentation ensures smooth access to the discount and avoids delays or denial of entry.

How to Redeem the Teacher Discount

Redeeming the teacher discount medieval times is a straightforward process when the necessary steps are followed. Being aware of the booking channels, payment methods, and timing enhances the chance of securing discounted tickets without complications.

Booking Channels

Teachers can redeem their discount through the official Medieval Times website, phone reservations, or box office purchases. Some locations may require advance booking to apply the discount, while others allow walk-in redemption with proper ID. Checking the preferred method of redemption at the specific castle is recommended to avoid confusion.

Step-by-Step Redemption Process

1. Confirm eligibility and gather verification documents.
2. Visit the Medieval Times website or contact customer service.
3. Select the desired show date and ticket type.
4. Apply the teacher discount code if booking online or inform the representative when booking by phone.
5. Complete the purchase using accepted payment methods.
6. Present valid teacher identification upon arrival to validate the discount.

Benefits of Visiting Medieval Times for Educators

Attending Medieval Times through the teacher discount offers numerous advantages beyond cost savings. The experience combines entertainment with educational value, making it an ideal outing for teachers seeking enrichment opportunities.

Educational Value

Medieval Times provides a vivid portrayal of medieval culture, customs, and combat that enhances historical understanding. Teachers can observe authentic costumes, weaponry, and traditions, which can be leveraged in lesson planning or classroom discussions. The immersive nature of the show allows educators to connect theoretical knowledge with tangible examples.

Engagement and Inspiration

The dynamic performances and interactive elements stimulate interest in history among both educators and their students. Teachers often find inspiration for creative teaching methods and activities after experiencing the show firsthand. Additionally, the event offers a unique way to reward teachers for their hard work and dedication.

Planning the Perfect Medieval Times Experience

To fully benefit from the teacher discount medieval times, proper planning is essential. Considerations include selecting the best show times, coordinating group visits, and incorporating the experience into educational goals.

Choosing the Right Time

Planning a visit during off-peak hours or special promotional periods can enhance the experience by reducing crowds and securing better seating. Early booking is recommended to ensure availability, especially when attending with groups or during school breaks.

Group Visits and Field Trips

Medieval Times often accommodates group bookings and educational field trips, providing additional discounts or customized experiences. Teachers interested in arranging such events should contact the venue in advance to discuss options and requirements. Group visits can deepen the educational impact and foster teamwork among students.

Incorporating the Visit into Curriculum

To maximize learning, teachers can prepare students with background information about the medieval period before attending the show. Follow-up activities, such as essays, presentations, or projects inspired by the experience, reinforce knowledge and engagement. Using the teacher discount medieval times as a springboard for interactive learning enriches the overall educational value.

teacher discount medieval times: Growing as a Teacher Clive Beck, Clare Kosnik, 2014-05-12 Teacher learning doesn't end with initial preparation; many insights and skills remain to be added. This book is concerned with ongoing teacher learning, its goals (Part I) and pathways (Part II). It is based on a longitudinal study of 42 teachers: 20 over their first 8 years of teaching and 22 over their first 5 years. The areas of continued teacher learning identified in our study were: vision of teaching, program planning, assessment, relevance, subject content and pedagogy, classroom organization and community, inclusion, and professional identity. The pathways of learning included informal and formal PD, teacher inquiry, and school-based learning. A key finding of our research was that, over the years, teachers learn a great deal informally. However, they do so largely on their own and under considerable stress. Teachers need more support than they currently receive, both for survival and to enhance their informal learning. Teachers can benefit significantly from external input, but their everyday learning makes them key "experts" in teaching. Accordingly, PD providers should work with teachers, utilizing their existing knowledge. This book is written for consideration by teachers, student teachers, teacher educators, PD providers, policy developers, and others interested in facilitating teacher learning. Some of us have been writing - somewhat desperately - on these ideas for years. Beck and Kosnik have given us strong evidence that the ideas are effective in practice. I hope this persuasive and beautifully written book will be widely read. Nel Noddings, Lee Jacks Professor of Education Emerita, Stanford University This book makes a powerful case for taking teachers' professional development seriously. It brings us the voices of beginning teachers as they deepen their professional knowledge over time and makes clear the depth of commitment they bring to the job. teacher discount medieval times: Encyclopedia of Christian Education George Thomas Kurian, Mark A. Lampert, 2015-05-07 Christianity regards teaching as one of the most foundational and critically sustaining ministries of the Church. As a result, Christian education remains one of the largest and oldest continuously functioning educational systems in the world, comprising both formal day schools and higher education institutions as well as informal church study groups and parachurch ministries in more than 140 countries. In The Encyclopedia of Christian Education, contributors explore the many facets of Christian education in terms of its impact on curriculum,

literacy, teacher training, outcomes, and professional standards. This encyclopedia is the first reference work devoted exclusively to chronicling the unique history of Christian education across the globe, illustrating how Christian educators pioneered such educational institutions and reforms as universal literacy, home schooling, Sunday schools, women's education, graded schools, compulsory education of the deaf and blind, and kindergarten. With an editorial advisory board of more than 30 distinguished scholars and five consulting editors, The Encyclopedia of Christian Education contains more than 1,200 entries by 400 contributors from 75 countries. These volumes covers a vast range of topics from Christian education: History spanning from the church's founding through the Middle Ages to the modern day Denominational and institutional profiles Intellectual traditions in Christian education Biblical and theological frameworks, curricula, missions, adolescent and higher education, theological training, and Christian pedagogy Biographies of distinguished Christian educators This work is ideal for scholars of both the history of Christianity and education, as well as researchers and students of contemporary Christianity and modern religious education.
